If you want your parents to get you a Daisy B-B Gun, look at it from their point of view.

We'd like every boy to have the thrill of owning a Daisy B-B Gun. But we want them to be ready. And parents can usually tell if they are.

You see, a Daisy is a B-B gun. It's not a toy. And owning a gun is a big responsibility.

How do your parents know when you're ready? Usually they can tell by the way you meet other responsibilities. Like picking up after yourself. Or pitching in when there's work to be done.

But if you're ready, a Daisy B-B Gun can be one of the most valuable things your parents ever

give you. Because it doesn't just take responsibility, it teaches it.

It's the best way in the world for a boy to learn marksmanship and proper gun handling.

So, when you think you're ready for a Daisy, talk it over with your parents. Tell them you're ready to take on the responsibility of ownership.

We'll have the right Daisy B-B Gun for you.

Send for "The Air Rifle Marksmen." Mail your name, address, and 25¢ to Daisy, P.O. Box 230, Rogers, Arkansas 72750.

The B-B Gun every boy dreams about.

Daisy is a Trademark of Daisy Corporation, Rogers, Arkansas 72750

WHAT STARTED ON A SATURDAY NIGHT, WITH A MINOR INCIDENT OF LITTLE CONSEQUENCE...

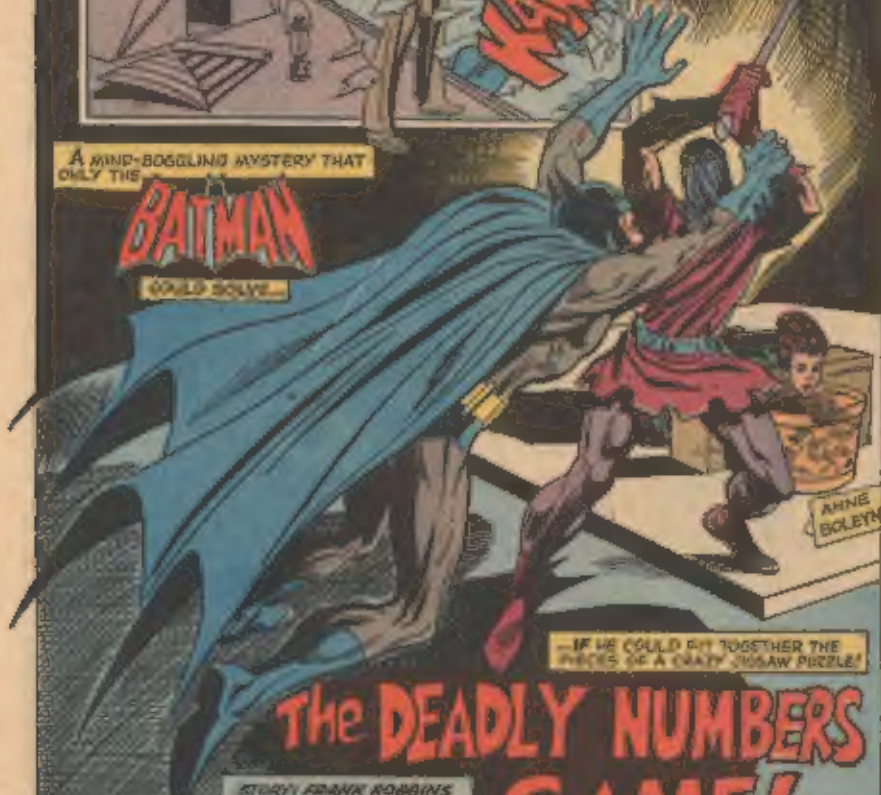

...WAS TO BLOW UP EIGHT NIGHTS LATER INTO THE MOST BIZARRE CRIME IN GOTHAM'S HISTORY!

A MIND-BOGGLING MYSTERY THAT ONLY THE

Now something new in model kits before Zap Action! are scenes based on Walt Disney's Pirates of the Caribbean—the most popular attraction in Disney land. First you build these exciting and detailed scenes—then at the touch of a lever—release Zap Action—and the pirates perform a variety of super actions! And the Zap Action can be reset and released over and over again!

Left behind to guard the treasure, this pirate has plenty of action time. He builds up the great model scene. But watch out! One touch of the lever and Zap Action! His arm swings up and he's got the drop on you.

THE IMPOSTERS™

TAME LOOKING CARS
THAT CHANGE INTO...

MEAN RACING MACHINES

The Imposters. You have to see them do their stuff. Take hold of the stick shift and get ready for a shock. Suddenly a mild mannered street machine changes into nearly a foot of road gobbling racing machine. Front end out. Engine up, 400 cubes. Then up goes the drive, ready to cut down all comers. The Imposters. They're a lot more car than meets the eye.
